HANDS ON 17

WATER WATER EVERYWHERE

Artists' books are simply books made by artists. Whether tactile or conceptual, they range in thematic content including the political, the sentimental, the instructive, or the purely beautiful. Our Hands On Artists' Book events allow you to handle books from our rare book vault. For our first event of the year, we will have 20 books related to water, its presence and importance, for you to touch, turn pages, and experience.

Friday, September 13 from 4-6 pm
Environmental Design Library Atrium
210 Wurster Hall

Wine and light refreshments will be served.

Hosted by David Eifler, Jennifer Osgood, Molly Rose and Lauri Twitchell.

The Library attempts to offer programs in accessible, barrier-free settings. If you think you may require disability-related accommodations, please contact the event sponsor, David Eifler, at 510-643-7422, or at deifler@berkeley.edu, at least two weeks prior to the event.
